## System Requirements:

- USB: Compliant USB V1.1/2.0 free port
- OS: Windows 98/98SE/ME/2000/XP
- CPU: Pentium III above
- Memory: 128MB or more (Recommend 256MB DDR or more )
- Graphics:

PCI/AGP bus with 16MB graphic memory or more

XGA 1024 x 768 @ 24bit color or higher

Microsoft Direct X 8.0 or higher version

- Audio: Full-duplex sound card or integrated chip
- Hard Disk: 20GB or above for image storage
- Backup Storage: CD-RW W24X or above; DVD-RAM/RW
- LAN: 10/100 BASE-TX Ethernet card or integrated chip

## Package Contents

- USB 1.1 4 Channel Video Adapter X 1
- CD-ROM X 1
- BNC Connectors x 4
